*Cumann Litearthachta na hÉireann*

## **Literacy Association of Ireland Spring Seminar**

### **Laying the foundation for early reading**

This informal, interactive workshop will explore the phonological awareness skills that children should develop prior to the introduction of more formal aspects of reading. Participants will come away with a range of games-based, engaging activities that classroom teachers/learning support teachers/resource teachers can implement to promote and reinforce children's early reading skills.

Facilitator: Jennifer O'Sullivan

Date: May 9<sup>th</sup>

Time 4:30

Venue: Marino Institute of Education
